Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 27 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with outbreaks of rain.

This Evening and Tonight:
Outbreaks of rain in some areas initially, and soon turning heavier and more widespread across the region. This will persist through the night with the heaviest downpours over higher ground. Winds increasing with gales around coasts and hills. Minimum temperature 7 deg C (45 deg F).

Sunday:
Persistent rain across many areas, heavy over higher ground. The south will see some dry spells in the afternoon before further outbreaks of rain later. Windy with coastal gales. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:
Cloudy on Monday with rain in the north, but drier in southern areas. Remaining windy. Feeling warm with spells of sunshine on Tuesday and at first on Wednesday.
